

January 4, 2022
Evergreen Garden Club
January Board Meeting

The meeting was called to order by President, Cherie Luke via Zoom at 10:00am. Board members present were; Hannah Hayes, Vice President; Helen McLeman, Treasurer and Janet Gluskoter, Secretary and Julie Ann Courim, Technology Officer. Not in attendance, Kim Gustafson, 2nd Vice President.

President's Report

Cherie asked the board members present whether we should change our upcoming General meeting to a Zoom call rather than meet in person. The Fire Training station is not allowing in person meetings again due to COVID-19 restrictions and we have not been able to confirm another meeting location.

It was agreed to have a Zoom meeting on January 11th. Julie Ann will send an update to all members asap via email and post the change on social media as well.

Cherie will contact Hospitality lead, Jan Parks to inform her that no food will be necessary.

The board agreed that we will determine whether the February general meeting will be in person or Zoom at a later date.

Vice President's Report

Hannah called and asked the next speaker to postpone his "Honeybee" presentation until April.

It was agreed to have the Garden Leaders present next week.

Helen will put together the presentation and contact the garden leader representatives.

2nd Vice President's Report

No report.

Treasurer's Report

Helen stated that she budgeted \$150.00 for the Holiday party but we only spent \$123.00.

Technology Officer's Report

Julie Ann stated that all new members were added to the directory as well as the online Google docs file.

Secretary's Report

There were no December general meeting minutes due to the holiday party.

Respectfully submitted,

Janet Gluskoter , Secretary
Evergreen Garden Club
