

Evergreen Garden Club Request for Charitable Giving

Evergreen Garden Club (EGC) adopted a policy in 2010 that would allow us to consider donating funds to nonprofit 501c3 status organizations when there is an excess beyond our determined reserve. EGC members must request funds on this form. The purpose of the funds must follow the tenets of EGC's mission statement (a charitable and educational organization focusing on mountain horticulture and conservation of natural resources). An appointed committee will review the requests and present no more than three to the membership for discussion and approval. Not all the available funds will necessarily be dispersed.
